SUBJECT: SY2020-2021 – Remote Learning

Ohkay Owingeh is actively involved in supporting the Federal response to COVID-19, including collaboration with federal agencies including the U.S. Departments of Health and Human Services (HHS), as well as the Centers for Disease Control and Prevention (CDC).

There is no higher priority than protecting the safety of our students, School Employees, and the Ohkay Owingeh Community.

On November 30, 2020, the Ohkay Owingeh COVID Response Team recommended that the Ohkay Owingeh Community School, along with the Ohkay Owingeh Head Start Program continue with the Remote/On-Line learning system for the remainder of this school year.

At a duly called Ohkay Owingeh Board of Education meeting held on December 3, 2020, the Board of Education unanimously approved to continue Remote/On-Line learning for the remainder of School Year 2020-2021.

If your child/student is enrolled at OPCS and is having difficulty with internet services or on-line learning, please contact Principal Sena at 505-927-5991 as soon as possible.

If your child/student is enrolled at the Ohkay Owingeh Head Start Program and is having difficulties with internet access or needs additional services please contact Ken Trujillo, Head Start Director, at 505-927-5555.
